## news release

16 October 2009

### ANGLOGOLD ASHANTI LIMITED ACQUIRES 50% OF MOTO GOLDMINES PURSUANT TO A BACK TO BACK AGREEMENT WITH RANDGOLD RESOURCES LIMITED

Further to its announcement of 5 August 2009, AngloGold Ashanti Limited is pleased to announce that the plan of arrangement proposed to effect the business combination between Moto Goldmines and Randgold has today become effective and that Randgold and AngloGold Ashanti now jointly control Moto.

In connection with the acquisition of this 50% Joint Venture interest in Moto, AngloGold Ashanti has fully funded the payment to former Moto shareholders under the cash election of approximately US\$76.9 million and has paid approximately US\$171 million to Randgold. The remaining existing liabilities of Moto will be settled in due course through the Moto Joint Venture with Randgold.

Shareholders are referred to separate announcements made by Moto and Randgold today which describe the above arrangements in greater detail.

Certain statements made in this communication, including, without limitation, those concerning AngloGold Ashanti's strategy to reduce its gold hedging position including the extent and effects of the reduction, the economic outlook for the gold mining industry, expectations regarding gold prices, production, cash costs and other operating results, growth prospects and outlook of AngloGold Ashanti's operations, individually or in the aggregate, including the completion and commencement of commercial operations of certain of AngloGold Ashanti's exploration and production projects and completion of acquisitions and dispositions, AngloGold Ashanti's liquidity and capital resources, and expenditure and the outcome and consequences of any pending litigation proceedings, contain certain forward-looking statements regarding AngloGold Ashanti's operations, economic performance and financial condition. Although AngloGold Ashanti believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions, fluctuations in gold prices and exchange rates, and business and operational risk management. For a discussion of such factors, refer to AngloGold Ashanti's annual report for the year ended 31 December 2008, which was distributed to shareholders on 27 March 2009 and the company's annual report on Form 20-F, filed with the Securities and Exchange Commission in the United States on May 5, 2009 as amended on May 6, 2009. AngloGold Ashanti undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events. All subsequent written or oral forward-looking statements attributable to AngloGold Ashanti or any person acting on its behalf are qualified by the cautionary statements herein.
