News Release

12 August 2010

RHIDWAAN GASANT APPOINTED TO ANGLOGOLD ASHANTI BOARD

AngloGold Ashanti is pleased to announce the appointment of Mr Rhidwaan Gasant to its board of directors, effective 12 August 2010. In addition to his duties as an independent, non-executive director, Mr Gasant will also be a member of the Audit and Corporate Governance Committee. His appointment brings additional financial acumen to the board, as well as a wealth of experience in the natural resources sector.

Mr Gasant is a chartered accountant and the former Chief Executive Officer of Energy Africa Limited, an oil and gas producer and explorer which had assets off Africa's west coast before its acquisition by Tullow Oil. He currently sits on the boards of international companies in the MTN Group, Africa's largest mobile phone operator.

"Rhidwaan's appointment complements very effectively the skills and experience we currently have on the board," AngloGold Ashanti Chairman Tito Mboweni said. "This is in line with our commitment to continue building the overall capacity of the board and its committees."

Certain statements made in this communication, including, without limitation, those concerning AngloGold Ashanti's strategy to reduce its gold hedging position including the extent and effects of the reduction, the economic outlook for the gold mining industry, expectations regarding gold prices, production, cash costs and other operating results, growth prospects and outlook of AngloGold Ashanti's operations, individually or in the aggregate, including the completion and commencement of commercial operations of certain of AngloGold Ashanti's exploration and production projects, the resumption of production at AngloGold Ashanti's mines in Ghana, the completion of announced mergers and acquisitions transactions, AngloGold Ashanti's liquidity and capital resources, and expenditure and the outcome and consequences of any litigation proceedings or environmental issues, contain certain forward-looking statements regarding AngloGold Ashanti's operations, economic performance and financial condition. Although AngloGold Ashanti believes that the expectations reflected in such forward-looking statements are reasonable, no assurance can be given that such expectations will prove to have been correct. Accordingly, results could differ materially from those set out in the forward-looking statements as a result of, among other factors, changes in economic and market conditions, success of business and operating initiatives, changes in the regulatory environment and other government actions including environmental approvals and actions, fluctuations in gold prices and exchange rates, and business and operational risk management. For a discussion of certain of these factors, refer to AngloGold Ashanti's annual report for the year ended 31 December 2009, which was distributed to shareholders on 30 March 2010. The company's annual report on Form 20-F, was filed with the Securities and Exchange Commission in the United States on April 19, 2010 and as amended on May 18, 2010. AngloGold Ashanti undertakes no obligation to update publicly or release any revisions to these forward-looking statements to reflect events or circumstances after today's date or to reflect the occurrence of unanticipated events. All subsequent written or oral forward-looking statements attributable to AngloGold Ashanti or any person acting on its behalf are qualified by the cautionary statements herein.
