14.2 Making good defects

No inspection conducted by the Company prior to despatch affects the Seller’s warranties or other obligations under this Contract and the Seller must promptly make good any defects, which arise from the Goods not complying with the requirements of this Contract or defective design, material or workmanship or from any act or omission of the Seller that appear in the Goods under proper use within one (1) year of the Company putting the Goods into service or within eighteen (18) months of delivery, whichever is later.

14.3 Notification of defects

The Company must notify the Seller as soon as possible, before any rectification work is undertaken, of any defects that have appeared in the Goods and either:

(d) If security is provided by way of retention moneys, the Company must release and return to the Seller within 14 days after the date of Practical Completion, an amount equal to 100% of such retention moneys.
16. **FAILURE TO SUPPLY**

If the Seller does not deliver any Goods to the Delivery Point by the required date for delivery specified in the relevant Purchase Order, the Company may, in addition to any other remedy or right, at the risk and expense of the Seller:

(a) obtain those goods from another source; and

17. **TERMINATION**

(a) The Company may terminate this Contract, including any Purchase Order, in its absolute discretion by 30 days’ Notice to the Seller.

(b) The Company may terminate this Contract including any Purchase Order, immediately, by Notice, if there is an Insolvency Event in respect of the Seller.

(c) In addition to, and without limiting the rights of the Company in paragraph (d) below, the Company may terminate this Contract immediately, by Notice, if there is, in the reasonable opinion of the Company, a repeated and persistent failure of the Seller to Deliver the Goods to the Delivery Point by the required Delivery Date.

(d) If the Seller commits a breach of any of its obligations under this Contract including any Purchase Order, then the Company may immediately terminate this Contract including any Purchase Order by Notice to the Seller.

(e) Notwithstanding any other provision of this Contract, where the Company has a right to terminate this Contract, it may do so without terminating any one or more outstanding Purchase Orders (in its absolute discretion) and, to avoid doubt, the Seller must still comply with such Purchase Orders that are not terminated even though the Contract and other Purchase Orders are terminated.

(f) Nothing in this Clause limits or affects the Company's rights under Clause 18 or any other provision of this Contract, and Clause 18 does not limit or affect the Company's rights under this Clause.

(g) Termination or expiry of this Contract or any Purchase Order does not prejudice:

(ii) any rights, action or remedy of the Company which expressly or impliedly survive the termination or expiry of this Contract including under Clauses 14 (warranties and making good defects), 22 (Sub-contractors), 23 (confidentiality), 25 (insurance) and 26 (indemnities).

18. **CANCELLATION OF PURCHASE ORDERS**

If the Seller breaches any of the terms of the Contract, or an Insolvency Event occurs in relation to the Seller, the Company may at its option and without prejudice to any of its other rights or remedies, cancel any undelivered Goods or unprovided Incidental Services which are the subject of a Purchase Order and the Seller is not entitled to any compensation in respect of that cancellation.
18.2 Consequences of cancellation where Seller not in breach

Notwithstanding that the Seller is not in breach, the Company may, at its option, cancel any unshipped Goods or unprovided Incidental Services but:
